

The Northwest Arkansas Touchdown Club was established in 2010 as a civic service club to promote fellowship among its members through meetings and social functions, for the promotion of college football in general, as well as high school football in the State of Arkansas. Thanks to our loyal sponsors and members, we are able to provide a premiere line up of speakers in 2011. The club has scheduled (7) events this year starting September 7th. Each event will be held at the Springdale Convention Center in Springdale, AR.
